Subject: **Letter of Commendation and Appreciation**

Dear Steven,

We are writing this letter to commend and express our sincere appreciation for your outstanding efforts, exceptional organization, and effective communication management during the recent outage incident that began in April.

We vividly remember reaching out to you late in the evening, urgently requesting your immediate attention and presence on a Saturday morning to meet with Eric and the team to establish engagement protocols for managing and organizing the recovery efforts. From that moment onward, you have displayed unwavering professionalism, consistently building value with the internal teams involved in the recovery activities, while effectively disseminating information to our demanding leadership team and our valued customers. You have exemplified NCR's core values of customer focus, teamwork, and respect at every step of the way.

Your contributions in the following areas were not only evident but also truly remarkable:

- **Customer Communication and Prioritization:** You skillfully managed communication channels with our customers, diligently understanding and prioritizing the elements crucial for their business continuity and operational functionality during the outage.
- **Internal Task Management:** Working closely with the cross-functional teams, you effectively broke down activities based on priority, providing the technology teams the necessary space to execute their work efficiently and effectively.
- **Information Sharing:** Your establishment of common dashboards with SmartSheets for real-time progress updates and status reports proved invaluable. This allowed the leadership team to have accurate and consistent information readily available at all times, enabling informed decision-making.

We wholeheartedly recognize the tremendous dedication you and the rest of the team demonstrated by working tirelessly during the early stages of the outage recovery efforts. We acknowledge that this undoubtedly impacted your personal and family life. Please know that your exceptional efforts were highly visible to the leadership team, and we genuinely appreciate and value your contributions.

You are an invaluable asset to the NCR family, and we extend our heartfelt thanks for your unwavering commitment and exemplary performance. Keep up the fantastic work!

Sincerely,
